1. New Construction on Unnumbered Road A

25X1D Additional construction is observed on Unnumbered Road A. The previously reported alignment of this road was partially in error. The correct alignment with new construction is as follows: from the reported terminus at 17-16N 106-11E [REDACTED], 0.4 nm south of the Laos/North Vietnam border, clearing operations extend generally northeast crossing the Laos/North Vietnam border, then generally north to a constructed ford across the Co Roong (stream) at [REDACTED], and continuing generally north-northeast to the limits of photography at [REDACTED]
